

International Professional Association for Transport & Health Student Group Meeting #3

IPATH Mission

The International Professional Association for Transport & Health (IPATH) is a platform for cross-disciplinary and multi-sector professionals working at the intersection of transport and health. The aim of IPATH is to share information, exchange ideas, and foster collaboration to improve health and well-being within communities by advocating for the integration of health in the urban and transport agenda.

IPATH Vision

- To create an accepted professional discipline of transport and health
- To support and encourage research and good practice aimed at integrating health into the transport planning and decision-making process
- To build a cohesive community of cross-disciplinary and multi-sector professionals
