

JOIN STUDENTS FOR IPATH

Students for IPATH (SIPATH) is the complementary student committee to the International Professional Association for Transport & Health (IPATH). IPATH is a platform for cross-disciplinary and multi-sector professionals working at the intersection of transport and health. The aim of IPATH is to share information, exchange ideas, and foster collaboration to improve health, quality of life and well-being in communities by advocating for the integration of health in the urban and transport agendas.

SIPATH is focused on:
