## *Mission*

The International Professional Association for Transport & Health (IPATH) is a platform for cross-disciplinary and multi-sector professionals working at the intersection of transport and health. The aim of IPATH is to share information, exchange ideas, and foster collaboration to improve health, quality of life and well-being in communities by advocating for the integration of health in the urban and transport planning agendas.

## *Vision*

- To create an accepted professional discipline of transport and health
- To support and encourage research and best practices aimed at integrating health into the transport and urban planning and strategic decision-making processes
- To build a cohesive community of cross-disciplinary and multi-sector professionals
